KNOW HOWSE

Solar Decathlon Middle East 2018 Dubai

INTERNATIONAL WORKSHOP

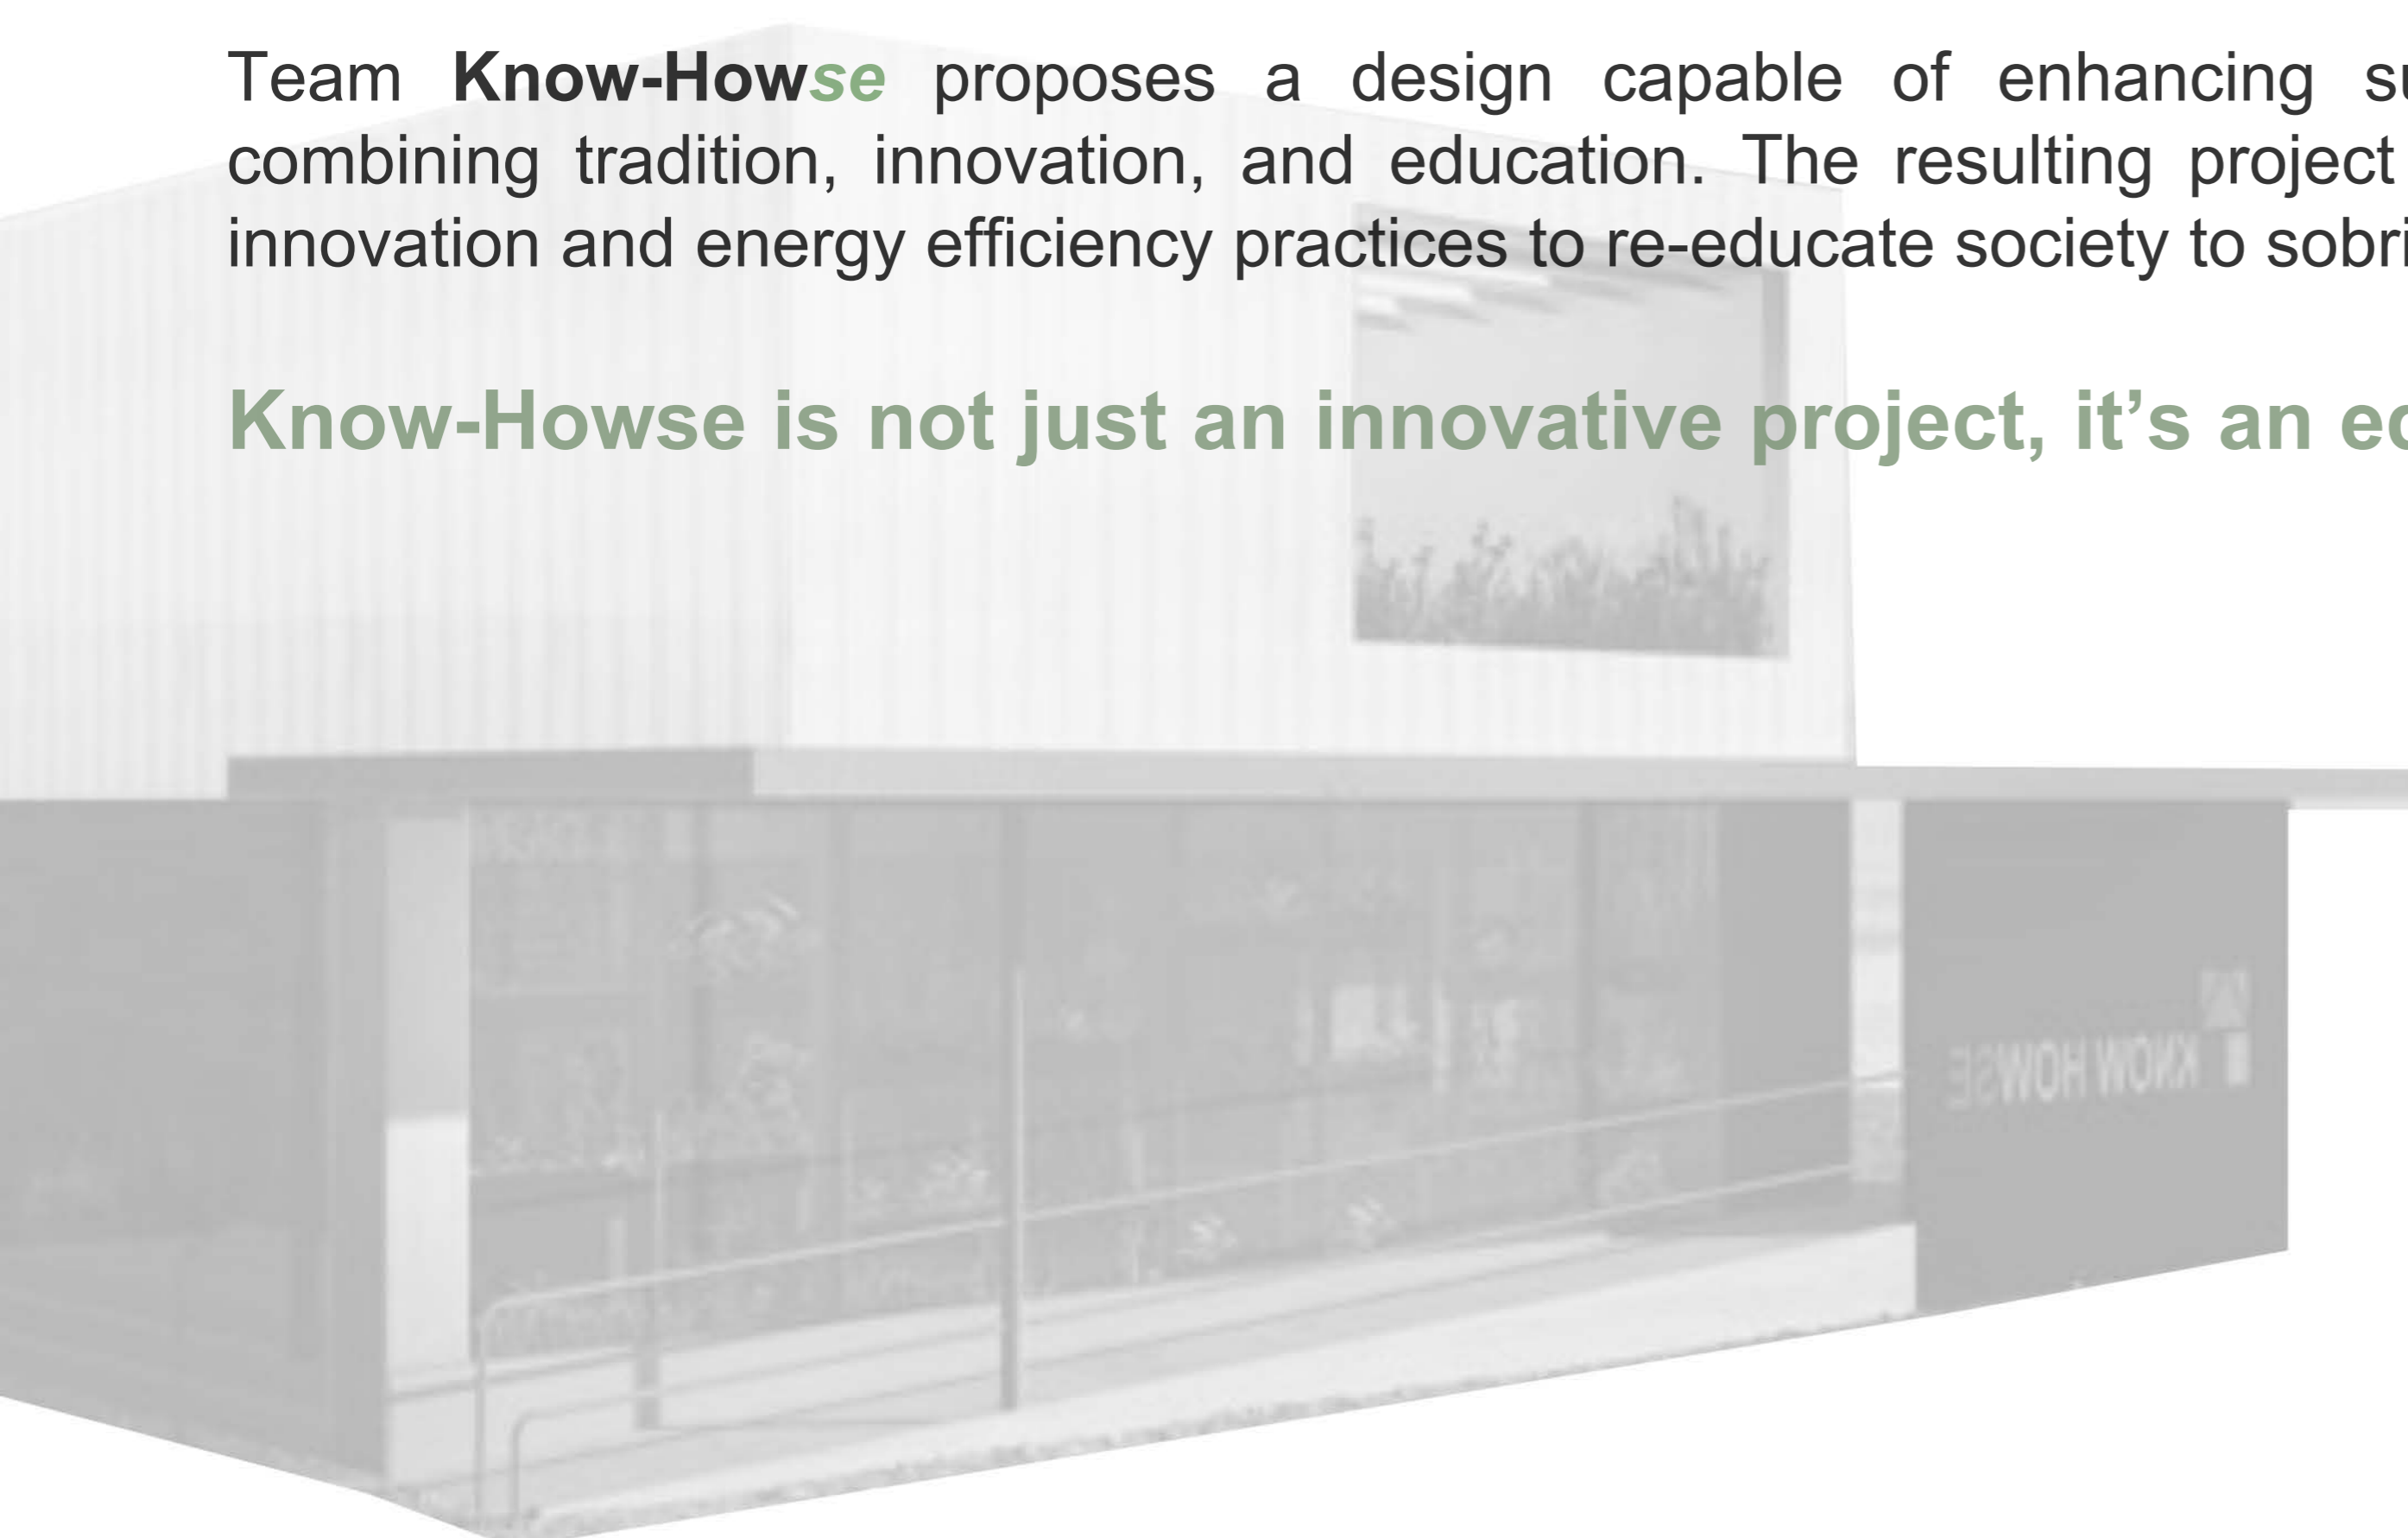

JUNE 28th 2017 - FERRARA, ITALY

Palazzo Tassoni Estense, Sala del Consiglio,
Department of Architecture, University of Ferrara

Team **Know-Howse** participates in the **Solar Decathlon Middle East 2018 Dubai**, an international competition in which universities from all over the world meet to design, build, and operate a solar-powered, energy efficient house.

Team **Know-Howse** proposes a design capable of enhancing sustainability awareness, combining tradition, innovation, and education. The resulting project will be a showcase for innovation and energy efficiency practices to re-educate society to sobriety.

Know-Howse is not just an innovative project, it's an educational program
