## PLEASE BE ADVISED: Every Ph.D. student can take the test just ONCE!

You have 30 minutes to complete the test (you will need to check it yourself because there will be no timer displayed but the school will display the time you took to complete the whole test).

## At the end of the test you will display the result achieved according to CEF-Common European Framework (e.g. B1-B2-C1) with an additional underlevel (e.g. B1.4).

The result will be sent automatically to Inlingua. IUSS Office will give you notice about the placement in the different group levels within the end of April 2019.

For any further doubts, clarifications or technical problems, please send an e-mail to <u>dottorato@unife.it</u>, or contact Elena Caniato (0532/455286) or Daniela Siri (0532/455290).

GOOD WORK!
